Employee's Statement
Long Term Disability Income Benefits

This guide explains how to apply for Long Term Disability benefits. It contains the form you must complete to notify Great-West Life of your claim, and explains what will happen after you have submitted that notice.

Your employer will tell you which Great-West Life Disability Management Services Office has been assigned to assess your claim. Your notice form, and any other correspondence about your claim, should be submitted to your employer or to that office.

If you have any questions about your claim, a representative in your Disability Management Services Office will be happy to answer them.

Notice of Claim, Authorization and Physician's Statement

To begin the claim submission process, you should complete the notice of claim and authorization form included in this guide. In addition, please have your doctor complete the physician's statement. These forms should be submitted **at least 8 weeks** before the end of the Waiting Period. **Benefits may be delayed if these forms are submitted later than this.**

1. Notice of Claim

The Notice of Claim asks general information about you, your job and the nature of your disability for the purpose of assessing your claim. Please complete all questions on this form and be sure to include your **Group Plan Number**.

Note: If you have Guaranteed Standard Issue Program coverage with Great-West Life, this form will be used as notice of claim for that coverage as well.

2. Authorization Request

We need your permission to obtain information that will help us assess your claim. By signing this authorization request, you give Great-West Life permission to obtain this information from your doctor, your employer, other insurers and hospitals where you received treatment.

3. Attending Physician's Report

Ask your doctor to complete the form that is most appropriate to your claimed condition. If you have undergone any tests or seen any specialists, please ensure that your physician includes copies of the results and the reports.

Claim Interview

To begin the detailed assessment process, a Great-West Life representative may telephone you to obtain information about your job, education and employment history, medical history, and current disability. Information may be required about certain other sources of income that could affect the amount of your benefit.

If an interview is not possible because of medical or language problems, alternative arrangements will be made. If sufficient information is obtained through the claim forms, an interview may not be necessary.

Income Declaration

You will be sent a form asking you to sign a declaration concerning other income to which you may be entitled.

Once you have signed the income declaration, please return the form to Great-West Life. This completes your part in submitting your claim.

Employer's Statement

When your employer gives you this brochure, he/she will submit an employer's statement to Great-West Life. This statement confirms your effective date of insurance coverage, job information, monthly earnings, and other information that is needed to assess your claim.

Medical Information

You are responsible for providing medical proof that you are entitled to receive disability benefits, and this includes responsibility for providing medical reports. However, to simplify the application process for you and prevent delays, Great-West Life will provide you with any needed medical questionnaires for your physician to complete.

If additional medical information is required, Great-West Life will make every effort to obtain it as quickly as possible. You will be notified if no response has been received within 4 weeks of our request to your physician. You will also be asked to follow-up with your Physician to ensure timely completion of medical questionnaires.

Your physician may or may not request a fee for completing claim reports (including the attached statement). If they do, you are responsible for paying it. Whenever Great-West Life requests information directly from your doctor, a correspondence fee will be offered.

Claim Assessment

Once the employer's statement, your signed Income Declaration form, and medical records have been received, your claim will be promptly and thoroughly assessed by a Case Manager.

Benefit Approval

If your claim is accepted according to the terms of your group disability plan, Great-West Life will send you a summary of both the benefits that have been approved and any additional benefits that may be available to you. Any limitations which may apply to your claim will also be explained.

Your benefit cheque will be issued on the later of:

1. the date which is one month after your waiting period ends; and
2. the date on which the initial claim assessment is completed.

DIRECT DEPOSIT AUTHORIZATION

Please complete this direct deposit authorization which allows your benefit payments to be automatically deposited to your bank account. **All benefit payments covered under one plan number will be deposited into the same bank account**.
