Eligibility

You may join the plan at any time.

Plans for spouses

You and your spouse can establish a spousal plan at any time. This type of plan allows you to make contributions to your spouse's plan. You receive the tax relief for those contributions.

A spousal plan can be useful if your current income, or anticipated retirement income, is significantly higher than your spouse's.

When funds are withdrawn from a spousal plan, your spouse claims the withdrawal as income, as long as you haven't contributed to any spousal plan in the year the funds are withdrawn or in either of the two preceding years.

If you have, you (the contributor to the plan) must include the withdrawal amount in your income. For further details, refer to the Canada Revenue Agency (CRA) guide, *T4040-RRSPS and Other Registered Plans for Retirement*.

Your human resources department can provide further details on how to establish a spousal plan and/or your own plan.

How to join the plan

Joining the plan is easy. We'll provide you with our group plan application form(s). Due to government regulations, Canada Life can't accept contributions until they receive your RRSP application(s).

Contributions

How to contribute to your group RRSP

Your contributions will be directed to your group RRSP. You can make contributions by payroll deductions and/or by lump-sum.

Lump-sum contributions

To make a lump-sum contribution, set up online banking to have contributions sent direct to Canada Life from your bank account (no forms are required).

To set up online banking:

- Sign in to your personal banking website
- Search for "Canada Life" in the bill payment section and choose the plan that applies to you: • CANADA LIFE GROUP RRSP or • CANADA LIFE SPOUSAL GROUP RRSP
- Enter the following information to create the account number:
 - Your plan/policy number (on GRS Access or your plan statement)
 - Your certificate number (on GRS Access or your plan statement)

EXAMPLE: CANADA LIFE GROUP RRSP – 12345999999999

Alternatively, to make a lump-sum contribution, simply write a personal cheque payable to “The Canada Life Assurance Company” for the amount you wish to contribute and indicate your policy/plan number on the cheque. Then, complete the *Lump-sum contributions* form available from GRS Access (Tools and resources > Printable forms) or from your human resources department and attach it to your cheque. Mail the cheque and form directly to Canada Life or send them through your human resources department. If you contribute to a plan for yourself and a plan for your spouse, indicate on the cheque how much should go to each plan.

What you contribute

You choose how much to contribute to the plan. These contributions can be made through payroll deduction or through lump-sum contributions.

Contributing through payroll deduction is convenient and easy. The amount you direct to the plan will be withheld from your pay and then remitted, by us, on your behalf. This convenient method of making contributions allows us to reduce the amount of income tax deducted from your pay.

If you want to adjust your contribution amount, send your human resources department a written request.

What Archdiocese of Vancouver contributes

We don't contribute to the group RRSP.

Transfers into the plan

Certain types of payments may be transferred to your group RRSP. Refer to the CRA guide, *T4040-RRSPS and Other Registered Plans for Retirement* or visit their website at canada.ca for more details.

Tax information

Tax deductions

Your RRSP is registered with the CRA. This means the contributions you make are deductible from your taxable income and payment of tax is deferred as long as you don't exceed your RRSP deduction limit. The *Notice of Assessment* form you receive from the CRA after filing your previous year's income tax return will indicate your limit for the current year.

However, payment from the plan is generally considered taxable income (unless a tax-sheltered transfer is made). Any cash withdrawal is taxable in the year received and subject to withholding tax at the time of withdrawal.

Tax receipts

Tax receipts for contributions made to the plan will be issued twice a year and sent directly to your home address. Receipts are issued every:

- January (covers contributions made in March to December of the previous year)
- March (covers contributions made during the first 60 days of the current year)

A tax deduction for contributions made during the first 60 days of the current calendar year may be claimed on either your current or previous year's income tax return.

The CRA requires you to attach a copy of the appropriate receipt to your income tax return in order to support your claim for deductions. If you make contributions during the first 60 days of a calendar year and you don't claim them as a deduction on your tax return for the previous calendar year, you're still required to notify the CRA of these contributions.

The CRA includes instructions on how to report contributions, along with the appropriate forms, in the income tax package they send to you.

Excess contributions

In any taxation year, contributions that exceed your annual RRSP deduction limit won't be eligible for a tax deduction in that year.

As well, excess contributions may be subject to penalty tax until withdrawn from the plan if your cumulative excess contributions are above the limits set by the Income Tax Act. Contact your local taxation office for more information.

Investment options

This plan offers different types of investment options. Contributions may be invested in one or a combination of the following:

- A daily interest account
- A guaranteed investment
- A variable fund investment

Daily interest account

Contributions are invested in a guaranteed account where daily interest fluctuates on a regular basis. Contributions are credited with interest.

Guaranteed investment

Contributions are invested in a guaranteed investment where the interest rate is guaranteed. Contributions are credited with interest.

Variable fund investment

Contributions are invested in a variable fund investment where the rate of return isn't guaranteed. Contributions are credited with investment gains or losses.

Your options are listed in your Investment menu which can be found in the material provided by Canada Life.

We or Canada Life may add or remove investment options at any time. Additionally, withdrawals or transfers from investment options may be delayed, suspended or restricted for a period of time by Canada Life or the manager of the investment option. You'll be notified if either of these events occurs.

You'll receive information about the investment returns in the statement mailed to you. You can also access descriptions of the investment options and investment return information by visiting grsaccess.com and going to the Investment section.

You decide where contributions to the plan are invested by selecting from the investment options available under the plan. You can change your investment options by visiting grsaccess.com and going to Tools and resources, calling Access Line or completing the *Member investment instructions* form, which we can provide to you.

Contributions invested in a guaranteed investment will mature at the end of the month coinciding with, or following, the end of the investment term. For example, if contributions are invested into a one-year guaranteed investment on Jan. 15 of this year, it will mature on Jan. 31 of next year.

At the end of your guaranteed investment's term, it will be reinvested into another guaranteed investment for the same term. If you don't want it to be reinvested, you must inform Canada Life before the end of the term.

If contributions are invested in a guaranteed investment, the interest rate is guaranteed and compounded daily. However, if you withdraw money before the end of the term, a calculation may be done to determine the amount you'll receive and early withdrawal fees may be charged. See the member schedule of fees for more information.

If contributions are invested in a variable investment, neither the principal nor any investment gain is guaranteed.

If you'd like more information, call Access Line or visit grsaccess.com. Additional information can be found in the enrolment material you received.

Frequent trading

Frequent trading is an investment strategy that's detrimental to other members invested in the same variable fund investment options. Canada Life monitors this activity. If it's determined that excessive trading is occurring, a frequent trading fee may be charged (currently up to two per cent of the amount exchanged) or a transfer may not be allowed in accordance with administrative rules.

Default investment option

As a member of the plan, you're responsible for selecting the investment options for the contributions, reviewing them regularly and making changes you feel are needed.

If you don't make a decision, we've chosen the Continuum Target Date Funds as the default investment option. Due to the unique nature of the Target Date funds, your age and age 65 (the age the majority of members choose to retire) is used to determine the appropriate Target Date fund to be applied as the default investment option. This may be suitable for medium- or long-term investing, but it may not be the right choice for you. The investment return on this fund isn't guaranteed, and with all similar investments, does involve some risk which may not suit your personal risk tolerance and investment goals.

Despite selecting this default fund, we don't recommend any particular investment option, nor do we suggest this default option is the right investment option for every plan member.

Canada Life provides a wide range of tools and information to help you make investment decisions. To find out what types of investments are best for you, complete the *Investment personality questionnaire* in the enrolment material you received or on grsaccess.com.

You'll receive statements semi-annually. These will be an ongoing source of information on your account and they'll also show which investment option(s) your contributions are invested into. You can find information and make changes at any time by visiting GRS Access or by calling Access Line.

Your retirement

Welcome to Your retirement. This section provides you with information about your options when you prepare to retire.

When you can retire under the plan

Retirement in this booklet refers to converting your retirement savings into retirement income.

Subject to any withdrawal restrictions that may apply under "...you want to withdraw contributions while you're still employed?", you can retire from the plan at any age, as long as you retire no later than Dec. 31 of the calendar year of your 71st birthday or any other time or date required by applicable legislation.

Your retirement income options at a glance

As you approach retirement, you have a number of retirement income options to consider. Remember, it's your choice – and not one that you should take lightly. What you do with your retirement savings and when you do it can have a dramatic impact on your financial situation.

While you can postpone your retirement, you must transfer your retirement savings from the plan into a retirement income option by Dec. 31 of the calendar year in which you turn 71 or any other time or date required by applicable legislation.

Locked-in funds

Locked-in funds, unlike money you contribute to your RRSP, must be used to fund a retirement income. If you transfer pension funds that are locked-in (cannot be received as a cash refund) under pension legislation into your plan, they'll continue to be locked-in and will be administered according to the applicable legislation.

Receiving retirement income

These payments are made up of interest and principal and may be determined by:

Annuities

An annuity is a retirement income option where, in exchange for a sum of money, you're provided with a guaranteed income that's unaffected by market conditions for as long as you live.

Generally, when an annuity contract is purchased, no changes can be made during the purchaser's life time.

- The type of annuity you purchase
- Your age, and in some cases, your spouse's age
- The interest rates in effect when you purchase your annuity
- The length of time your annuity payments are guaranteed
- The amount of money you used to purchase your annuity

TYPES OF ANNUITIES

The chart below includes some popular annuities that are available to you and details of how these annuities work.

Type of annuity	How it works
Life annuity	This annuity provides you with an income for as long as you live. Convenient and practical, a life annuity ensures you'll never outlive your money.
Life annuity with guarantee	With this annuity, you receive a specified income for life and if you die before the guaranteed period ends, payments will continue to your beneficiary until the end of the guaranteed period.
Joint and last survivor annuity	This annuity is payable while either you or your spouse is living. Generally, after the annuitant (the person who purchased the annuity) dies, the survivor continues receiving the same or a reduced income.

Before purchasing an annuity, it's important to understand that you're making an irreversible commitment. If you'd like more information about annuities, call Access Line.

Registered retirement income fund (RRIF)

Like an annuity, a RRIF can provide you with a regular retirement income. However, unlike an annuity, you make all the investment decisions concerning your RRIF. As a result, your RRIF is subject to market fluctuations and the investment choices you make can affect the amount of your retirement income.

Although a RRIF offers more flexibility than an annuity, there's an annual minimum payment that you must receive from your RRIF. You can choose your retirement income as long as it's over the minimum amount.

Not ready to select a retirement income option?

If you're ready to retire but aren't ready to select a retirement income option, transferring your group RRSP account to one of the following may be an option for you:

- Another RRSP
- A registered pension plan (RPP)

Money that's placed in any of these plan types grows on a tax-deferred basis.

When or how you choose to convert any of these plan types depends on factors such as your:

- Age
- Termination of membership in the RRSP, or RPP (as applicable)
- Need for regular retirement income or for payment flexibility
- Concern about inflation
- Ability and interest in managing your own investments

You can decide when to convert any of these plan types to a retirement income option such as an annuity or RRIF. This must be done no later than Dec. 31 of the year in which you reach age 71 or any other time or date required by applicable legislation. If you do not make an election by the deadline, a registered retirement income fund will be provided on your behalf.

What happens if...

Welcome to What happens if. This section provides information on events or milestones that you may encounter as you save for your retirement, including other major life events.

In addition to this booklet, you'll receive an information package and forms outlining all of your options when any of the following events take place:

- Retirement
- Your employment terminates
- Termination of the plan

The value of contributions

In this section, the term "value of your contributions" refers to your contributions, plus interest and any gains or losses, and includes any fees and/or adjustments as indicated in your member schedule of fees.

... your employment terminates?

Your group RRSP is yours to transfer to another plan or to withdraw.

Transfer options

Instead of receiving the value of your contributions as a cash refund, you can choose to receive an annuity or transfer the value of your group RRSP to:

- Another RRSP
- A RRIF
- An RPP
- An insurance company to purchase an annuity

Regardless of the above, if you transferred locked-in funds under pension legislation into your plan those funds must be used to provide a retirement income. You can't withdraw these locked-in funds as cash.

If you do not make an election regarding your RRSP account within the time period indicated in your certificate, the value of your account may be transferred to a registered retirement savings plan on your behalf.

If your employment terminates, contact your human resources department for more information on your options.

Usually, any cash payment you receive from your plan (or any cash withdrawal you make from your plan) is taxable income. Any amount you withdraw from your account will be taxed in the year you received it and is subject to withholding tax (an amount deducted and remitted to the CRA on your behalf) when you make the withdrawal.

... you want to withdraw contributions while you're still employed?

Withdrawing contributions while you're employed is permitted at any time.

Home Buyers' Plan and Lifelong Learning Plan withdrawals

You may make a withdrawal for the CRA's Home Buyers' Plan or Lifelong Learning Plan.

Any withdrawn contributions may be subject to fees and/or adjustments in accordance with the provisions of your schedule of fees.

... you want to use your benefits as collateral?

You aren't allowed to use the value of your plan as collateral for a loan.

... you go through a marriage breakdown?

If you go through a marriage breakdown, the benefits under your plan may be affected. Consult a lawyer about the laws concerning this situation and the options available.

... you die before retirement?

Your plan beneficiary will receive an information package outlining his/her options.

Your plan beneficiary

Your plan beneficiary is your designated beneficiary or estate.

Designating a beneficiary

You may designate one or more beneficiaries to receive all or part of the amount payable when you die.

To designate a beneficiary, complete a *Designation of revocable beneficiary/trustee appointment* form. You can get a copy of this form by calling Access Line or contacting your human resources department. You can also get a copy of this form on GRS Access by going to Tools and resources > Printable forms.

Designating a beneficiary will help ensure your benefits are paid as you wish, if you die before you start receiving retirement income.

If you designate a beneficiary, benefits are paid directly to your beneficiary which avoids the delays associated with processing an estate. Estate taxes (sometimes referred to as probate fees) are also avoided, although income tax may be payable on your death benefit.

Without a beneficiary, any benefits will be paid to your estate.

If you name your minor child or grandchild as your plan beneficiary for your RRSP and that person is financially dependent on you (as defined by CRA), the plan beneficiary can receive payment as an annuity certain. This annuity will provide payments until the child turns 18. Transfer options may also be available to a financially dependent child or grandchild to the extent permitted under the applicable legislation.

If your plan beneficiary is a minor

If your plan beneficiary is a minor, or a person who otherwise lacks legal capacity, you may also wish to name a trustee to receive the benefit on behalf of the plan beneficiary.

Before naming a minor as your plan beneficiary, we recommend you consider the implications of this decision by discussing it with a legal professional.

Your plan beneficiary is entitled to the total value of your account as a cash payment.

For Quebec only, if a death benefit is payable, it will be paid within 30 days after receipt of all supporting documents considered satisfactory by Canada Life, unless a shorter period has been provided for under the policy.

If your spouse is your plan beneficiary

If your plan beneficiary is your spouse, instead of receiving a cash payment, funds may be:

- transferred to your spouse's RRSP
- transferred to your spouse's RRIF
- used to purchase a life annuity

as permitted under the applicable legislation.

However, if you transferred locked-in pension funds (according to pension legislation) to the plan, those funds may not be available as a cash payment and may continue to be locked-in and subject to the locking-in requirements of the applicable legislation.

... the plan terminates?

We expect to continue the plan indefinitely, however we reserve the right to amend or terminate the plan at any time.

If the plan is terminated, you'll be entitled to the value of your contributions.

The operation of the Plan and your rights will be subject to the Investment Rules. We may amend the Investment Rules at any time and will provide the Plan Sponsor with prior notice of material changes wherever possible. From time to time changes to the Investment Rules may be imposed on us by fund managers and in those circumstances prior notice may not be possible.

Section 5. Contributions

Contributions to the Plan will be invested in a group annuity policy issued to the Plan Sponsor by us. We will establish an account for the Member and Contributions received on behalf of each Member will be allocated to the Member's account. All Contributions must be within the limits permitted under the Applicable Legislation.

In the event of an overpayment, on written request, we will refund to the contributor any amount as provided in paragraph 146(2)(c.1), or any successor provision, of the Income Tax Act. The amount refunded cannot be greater than the value of the funds held under this certificate.

Section 6. Investment Options

Contributions will be invested in one or more of the various Investment Options which we make available to the Plan from time to time, as directed by you and/or Plan Sponsor, as applicable, and will be allocated to your account. If no election has been made by you, new Contributions will be invested in the default Investment Option(s) selected for the Plan. Contributions invested in an Investment Option will be subject to the Investment Rules. We may amend the terms of any Investment Option or add or withdraw any Investment Option at any time. We will provide 60 days notice to the Plan Sponsor of any material change to an Investment Option.

a) Guaranteed Investments

Contributions may be invested in guaranteed investments of various durations at guaranteed interest rates. Investments in the guaranteed investments described in this certificate are guaranteed both as to principal and interest. Contributions invested in a guaranteed investment will earn interest in the manner and at the rate applicable to that investment in accordance with the Investment Rules. The interest rate on any such investment is compounded daily and guaranteed until the end of the month in which the selected interest guarantee period expires.

At the end of the interest guarantee period of any guaranteed investment, you and/or Plan Sponsor, as applicable, may select any new interest guarantee period we are then offering, so long as it does not extend beyond the Maturity Date of this certificate. Alternatively, you and/or Plan Sponsor, as applicable, may select any other Investment Option we are then offering. If no selection has been made, the Contributions and interest will be reinvested for the same term, at the guaranteed interest rate in effect at the time of reinvestment.

Subject to the terms of this certificate, you may withdraw amounts from any guaranteed investment before the end of the interest guarantee period. If Contributions are withdrawn from a guaranteed investment, the value withdrawn will be calculated in accordance with the Schedule of Fees applicable to the Plan.

b) Variable Investment Funds

Contributions may be invested in variable investment funds. These funds are segregated funds offered and administered by The Canada Life Assurance Company. Contributions invested in a variable investment fund are not guaranteed either as to earnings or as to principal. The value of your account in a variable investment fund will fluctuate with the financial experience of the fund.

The assets of a variable investment fund belong to us but they are available only for the benefit of unit holders of the fund. If you invest a Contribution in a variable investment fund you will acquire units in the fund equal to the value of your Contribution on the date the investment is made.

We determine the value of the units of a variable investment fund on each valuation date of that fund and investments into and withdrawals from a fund can only be made on a valuation date. Most funds offered by us are valued on a daily basis but we may value funds less frequently in accordance with the Investment Rules. The unit value of a fund on a valuation date is determined by dividing the value of the assets of the fund, less the investment management fee described below, by the number of units in the fund immediately before the valuation date.

An investment management fee is charged and includes a fee for managing the variable investment funds, a fee for providing other services under the Plan and may include an amount for administrative expenses and other services under the Plan in accordance with the Schedule of Fees applicable to the Plan. This fee may either be deducted from the value of the assets of the fund (as part of the calculation of the unit value of a fund), or with our consent, the Plan Sponsor may elect to pay this fee separately.

Section 7. Benefits - Income at Maturity

If you are living on the Maturity Date we will liquidate the value of funds held in your account and apply the value to provide a retirement income fund for you from us, as we in our sole discretion may select, and you appoint us as your agent for this and any related purpose. We will not be liable for any resulting loss. If you prefer, by notice to us, you may elect another form of retirement income that we are offering at that time and which is permitted for a retirement savings plan.

If an annuity is selected as your retirement income, we undertake to provide an annuity that provides for annuity payments in equal periodic amounts payable yearly or more frequently. The annuity will be issued in accordance with our rules and issue rates for annuities which are then applicable. You must provide us with satisfactory proof of the date of your birth and sex on or before the Maturity Date. If there has been any misstatement, we will make any adjustments we consider equitable.

Any annuity provided must comply with subsection 146(1), or any successor provision, of the Income Tax Act. Annuity benefits payable to your surviving Spouse or Common-law Partner following your death may not exceed the annuity payments which were being made to you before your death, except for increases due to indexing as permitted under subparagraphs 146(3)(b)(iii)(iv) and (v), or any successor provision, of the Income Tax Act. If the beneficiary under the annuity is not your Spouse or Common-law Partner at the date of your death, the present value, as determined by us, of any remaining payments will be paid in one sum and the annuity will be terminated.

If this certificate is governed by laws of the province of Quebec, the group annuity policy was established on or after March 1, 2006 and a single life annuity guaranteed for a period of 10 years is selected as your retirement income on the Maturity Date, the amount of the annuity payments will be determined by multiplying the value of your account (less any applicable fees and charges) by the greater of i) our then current annuity rate for a single life non-participating annuity with a guaranteed period of 10 years; and ii) \$3.47 for each \$1,000 of that value, if you are male, or \$3.23 for each \$1,000 if you are female. However, if an annuity or another settlement option is not selected by the Maturity Date, the value of your account will be used to purchase a retirement income fund for you. Payments under the retirement income fund will commence in accordance with the terms of the retirement income fund contract. The retirement income fund contract will mature on the date you attain 100 years of age but not later than the 28th day of that month (the RIF Maturity Date). If you attain age 100 after the 28th of the month, you will be deemed to have attained age 100 on the 28th of the month. An annuity will commence on the RIF Maturity Date; however, you may elect to commence annuity payments prior to the RIF Maturity Date on the then current terms and conditions. When annuity payments commence, they will be equal monthly amounts and will be payable to you for life and cease on your death. The amount of the annuity payments will be determined by multiplying the value of the funds held in the retirement income fund for the payment of your annuity (less any applicable fees and charges) one month before the date annuity payments are to commence by the greater of:

- i) our then current annuity rate for a single life non-participating annuity with no guarantee period; and
- ii) for each \$1,000 in the retirement income fund:

if you are male and you elect to commence annuity payments

- in the month next following the month you attain the age of 80 years, \$5.89;
- in the month next following the month you attain the age of 90 years, \$8.55; or
- if an election is not made the rate will be \$8.61 in the month next following the RIF Maturity Date when you attain age 100.

if you are female and you elect to commence annuity payments

- in the month next following the month you attain the age of 80 years, \$5.37;
- in the month next following the month you attain the age of 90 years, \$8.36; or
- if an election is not made the rate will be \$8.61 in the month next following the RIF Maturity Date when you attain age 100.

Section 8. Withdrawal of Funds

Subject to the terms of this certificate, on or before maturity, you may withdraw all or part of the value of your account by giving notice to us and may elect:

- i) to purchase any form of annuity that we are offering at that time and which is permitted for a retirement savings plan with payments commencing no later than the Maturity Date;
- ii) to transfer the funds directly to a retirement income fund, another retirement savings plan or a registered pension plan as permitted under the Income Tax Act; or
- iii) to receive payment in cash.

The value of your account will be reduced by the amount of any withdrawals.

All such elections will be completed in accordance with the Administrative Rules and the Investment Rules.

Notwithstanding the above provisions, the Plan Sponsor may impose restrictions on withdrawals and/or transfers to which you will be subject during the duration of your eligibility under the Plan as outlined in the Withdrawal Restrictions Endorsement.

Section 9. Termination of Plan or Membership

If the group annuity policy of this Plan is terminated or if you cease to be eligible to participate under the group annuity policy, no further Contributions may be made under this certificate. When we receive notice that such an event has occurred, the Plan Sponsor will cease to be your agent and we may, without accepting any obligation or responsibility to do so, withdraw (for Quebec, make a single annuity payment) or transfer the value of your account from the Plan. We may exercise this right at any time. You will be given 60 days from the date we receive notice of the occurrence of the event to provide us with withdrawal or transfer instructions. If you do not provide such instructions within the 60 day period and the Plan Sponsor does not permit you to remain in the Plan, you will be deemed to have instructed us to transfer the value of your account to another retirement savings plan as we deem appropriate, and appoint us to be your agent for this and any related purpose and we accept such appointment. In the alternative, if another retirement savings plan is deemed to not be appropriate, we will pay the proceeds to you in cash.

The beneficiary designated by you under this certificate will also serve as the beneficiary designation under any alternate retirement savings plan issued to you by us to replace this certificate upon the termination of the group annuity policy or your eligibility to participate under the group annuity policy, until and unless you change or revoke such beneficiary appointment.

We may, on our own or at the request of the Plan Sponsor, resign as issuer, and allow for the appointment of a successor issuer. The Plan Sponsor will advise us of the identity of the successor issuer within 60 days of such resignation, and upon the transfer of all Plan assets to the successor issuer, we will be discharged from any further liability under the Plan.

Section 10. Limitation of Liability

The provision of a life annuity, or another form of annuity settlement option, or a withdrawal or transfer of the value of your account, will constitute a full and final settlement of your rights or the rights of your beneficiary, as applicable, with respect to the Plan, as against the Plan Sponsor, any employers authorized to participate in the Plan, any agents of the Plan Sponsor, us and any of our agents.

Section 11. Legal Actions

Every action or proceeding against an insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the *Insurance Act* (for actions or proceedings governed by the laws of Alberta and British Columbia), *The Insurance Act* (for actions or proceedings governed by the laws of Manitoba), the *Limitations Act, 2002* (for actions or proceedings governed by the laws of Ontario), or other applicable legislation. For those actions or proceedings governed by the laws of Quebec, the prescriptive period is set out in the *Quebec Civil Code*.

Section 12. Death of the Member

You may designate a person to receive all amounts payable to a beneficiary under this certificate. You may change or revoke a revocable beneficiary designation as permitted by law. If you die before the value of your account has been applied to provide an annuity or have been withdrawn or transferred, we will pay that value to the beneficiary in one sum in accordance with our then current practices. If you die and have named your Spouse or Common-law Partner as beneficiary, your Spouse or Common-law Partner may transfer the value of your account into another registered retirement savings plan, purchase an annuity, elect a lump sum payment, or transfer the funds to a registered retirement income fund in accordance with the Applicable Legislation.

Section 13. Registration under the Income Tax Act

We will apply to register the Member's plan as a registered retirement savings plan under the Income Tax Act and any similar provincial legislation. We have the right to amend, at any time and without notice, the terms of this certificate as we consider necessary so that the Plan will continue to qualify for registration.

Your rights are subject to the requirements of the Income Tax Act, any similar provincial legislation and, if locked-in funds are held under this certificate, to the requirements of the relevant provincial or federal pension legislation.

Except as specifically permitted under the Income Tax Act, no benefit, loan or indebtedness that is conditional in any way on the existence of the Plan or this certificate may be extended to you, the contributor or a person with whom you do not deal at arm's length. You may not engage in any transaction, investment, payment or transfer which is or may be an advantage, an RRSP strip or a swap transaction under Part XI.01 of the Income Tax Act. We will not make any payments under the Plan except those specifically permitted by the Plan or the Income Tax Act or required by law. We reserve the right to prohibit any transaction, investment, payment or transfer, whether an advantage, an RRSP strip or a swap transaction under the Income Tax Act, or such other payment or transfer which is or may be prohibited or penalized under the Income Tax Act.

Section 14. Locked-in Pension Funds

If locked-in pension funds are transferred to the Plan, such funds will be governed by the provisions of the Locked-in Addendum. To the extent of any inconsistency between the addendum and this certificate, the Locked-in Addendum will override the terms of this certificate.

Section 15. Taxes

All fees and charges payable to us are net of any applicable taxes and any such taxes will be payable or recoverable in the same manner as the fees and charges to which they relate.

Section 16. General Provisions

Any notice to us must be in writing or such other form as may be agreed upon between us and the Plan Sponsor. Such notice will be effective when received at our Head Office.

Any notice to a Plan Member will be in writing and will be effective on the date it is received. Notice to the Plan Sponsor will be considered notice to the Member.

We may amend the terms and conditions of the certificate issued to you upon 60 days' notice to the Plan Sponsor, unless otherwise specified. Continuation in the Plan after the effective date of such amendment will constitute acceptance of such amended terms.

If we agree to amend or waive any provision of this certificate the amendment or waiver is effective only if it is in writing and signed on our behalf by our authorized officer.

This certificate and your rights and benefits under this certificate are not assignable, except to the extent permitted under the Income Tax Act and any similar provincial legislation upon marriage breakdown.

You may request a paper statement of your account, a copy of your application for membership, a copy of the group policy and any other documents to which you are entitled to receive under the Applicable Legislation. Some of these rights are also available to your designated beneficiary or another claimant.

All payments to or by us will be in legal Canadian currency.

We may delegate some or all administrative functions to an agent. Notwithstanding any delegation to an agent, the ultimate responsibility for administering the Plan in accordance with the Plan's terms lies with us.

The Plan is subject to the Applicable Legislation. To the extent of any inconsistency between the Plan and the Applicable Legislation, the Applicable Legislation will override the terms of the Plan.
